

# **CURSE OF THE BLAIR WITCH**

## **THE UNCENSORED INVESTIGATION**

This shocking documentary, created by the producers of the horror sensation *The Blair Witch Project™*, further examines the extraordinary legacy of terror that has rocked the community of Burkittsville for the last two centuries. Tracing the history of events that make up the legend, this chilling story chronicles the ritualistic murders at Coffin Rock in 1886, Rustin Parr's child massacres of 1941, and the final dark days of the three student filmmakers who disappeared while filming a documentary about the legend in 1994. This compelling investigation contains additional interviews with the parents, friends, authorities and experts involved in the case that were not seen in the original student documentary. Before you see the frightening *The Blair Witch Project™*, find out the horrifying history of events that is the **CURSE OF THE BLAIR WITCH!**

## *OPTIONAL VERSION*

A compelling documentary that further investigates the chilling legend of the Blair Witch, this shocking film delves deeper into this extraordinary legacy of horrors. From the ritualistic murders at Coffin rock in 1886 and the Rustin Parr's child massacres of 1941, to the final dark days of the three student filmmakers who disappeared in the woods of Burkittsville, this film contains never-before-seen interviews with the parents, friends, and authorities involved in the case. Whether the grisly events are the work of a dark cult that is determined to keep the legend of Blair Witch alive, or the forces of a malevolent spirit, *Curse of the Blair Witch* is a chilling chronicle of this terrifying legend.
